South Broad & P<sup>o</sup>inter St.  
Newark N.J.

Dear Sir:

I am writing to enclose the copy of the letter you asked me for, when you came to inspect the package yesterday.

At the same time I am sending the claim form to The Wilson Sporting Goods Co., and asking them to send it to you, as they are the ones intitled to the claim. They have already sent me another jacket.

I am advising them to address their correspondence to you.

Very Truly Yours
